SIDEWINDER ZXT PREMIUM NEW WAY FEATURES

- 1 Impressive Payload Capacity:** Now you can have it all- larger payloads on an extremely economical and maneuverable chassis.
- 2 7 Gauge Hardox Construction:** The Hardox body, floor, and tailgate is tough as nails, providing superior durability and product life.
- 3 Dual Side Loading:** Imagine working at twice the speed! With dual side loading, one can manually load on the street side or add our Semi-Automatic Cart Tipper option for even more agility.
- 4 Powerful Arm Design:** Boasting a 500 lb. capacity at its maximum reach of 6 feet, this unit has the strongest grip in the industry.
- 5 Triple Hydraulic Pump & Valving:** Our powerful, yet simple design places all hydraulic functions in one location, offering more accessibility and requiring less maintenance.
- 6 Dual Clean-Out Doors:** Our oversized clean-out doors make it easier to clear the mess and move on.
- 7 Heavy-Duty Gripper:** Sporting the same grip technology as our larger models, you know this is the real deal.
- 8 Smooth Body Design:** Not only is our new body stronger than ever, its fetching good looks are a great backdrop for your company's logo.
